## About TIGS...

The Troy Irish Genealogy Society (TIGS) was founded September 18, 2003 by a small group of Troy Irish descendants who met for dinner at the Irish Mist on 2nd & Ida Streets in Troy NY.

Since that first meeting TIGS has grown to be a great resource for Troy area genealogy researchers.

Our mission is to discover, share and honor the heritage of our Troy Area families through monthly meetings, our website and participation of our members and "to make available, on-line, records of Irish and non-Irish names to help genealogy researchers, especially those who live outside the Troy area."
